

# Revelation Class 3 - What's in Revelation

## *Student Handout*

What is the difference between political and partisan? Why must our faith influence our politics?

What is the cultural situation that Christians in Asia Minor face daily?

How is this different and similar to our own culture?

**Read 1 Corinthians 8:7-13.** Would the citizens in Corinth naturally recognize eating meat sacrificed to idols as a bad thing?

What does Paul find sinful about this practice?

What images did you notice in the apocalypses in the Old Testament that woke people up to “what’s really going on?”

How is Revelation a political document?

Could we read Revelation for it to act as an apocalypse to wake us up to the same kinds of issues in our context?
